

Journal of AOAC INTERNATIONAL

An International Journal of Analytical Science

About the *Journal of AOAC INTERNATIONAL*

Discover the latest in basic and applied research in the analytical sciences related to foods, drugs, agriculture, and the environment. The *Journal of AOAC INTERNATIONAL* (JAOAC) is the forum for the exchange of information among method researchers who must keep informed of new technology and techniques in the regulatory agencies and regulated industries. Read contributions from leaders in the fields of chemical and biological analysis, original collaborative studies of AOAC *Official Methods*SM, special guest editor sections, invited reviews, and much more.

The *Journal of AOAC INTERNATIONAL* publishes 6 issues per year of refereed contributed papers in the fields of chemical and biological analysis: on original research on new techniques and applications, collaborative studies, and data on food composition, studies leading to method development.

Two Formats to Choose From

AOAC offers the *Journal of AOAC INTERNATIONAL* in two formats:

- **Print Subscription** is an annual subscription that publishes 6 issues per year. You may subscribe as an individual or organization.
- **Online Subscription** is an annual subscription that allows access to current and past articles. AOAC offers several license levels to fit your needs as an individual or an organization, of any size.
 - **Individual Subscription** (access for 1 person)
 - **Single Site License** (1 location/laboratory)
 - **Multi Site License** (Multiple locations, University/Library)

* *Individual Articles may also be purchased through Customer Service or online at <http://www.atypon-link.com/AOAC/loi/jaoi>*
