

The Official Methods of Analysis of AOAC INTERNATIONAL

The Most Comprehensive and Reliable Collection of Methods Available

About the *Official Methods of Analysis*

For more than 125 years AOAC INTERNATIONAL has been meeting the needs of analytical scientists for confidence in analytical results through the development and validation of AOAC® Official MethodsSM. The *Official Methods of Analysis* is an international source of methods, with many countries and international organizations contributing their expertise to method validation. The *Official Methods of Analysis* is the most comprehensive and reliable collection of chemical and microbiological methods available in the world and are contained in many of the Codex food standards.

Two Formats to Choose From

AOAC offers the Official Methods of Analysis in two formats:

- **Print Edition** is a one volume bound book (hard cover).
- **Online Subscription (OMA Online)** is an annual subscription and is a “continuous edition”. New and revised methods are posted as soon as they are approved which provides you with the most up-to-date methods. AOAC offers several license levels to fit your needs as an individual or an organization, of any size.
 - **Individual License** through a subscription or Individual Membership* (access for 1 person)
 - **Single Site License** (1 location/laboratory)
 - **Multi Site License** (Multiple locations, University/Library)

* For information about Individual Membership visit www.aoac.org

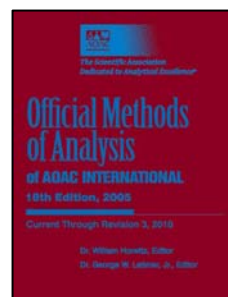

OMA Benefits
