

2012 Rates: The *Official Methods of Analysis* of AOAC INTERNATIONAL

Effective January 1, 2012

Rev. 1-11/2011

About the *Official Methods of Analysis*

For over 125 years AOAC INTERNATIONAL has been meeting the needs of analytical scientists for confidence in analytical results through the development and validation of AOAC® Official MethodsSM. The *Official Methods of Analysis* is an international source of methods, with many countries and international organizations contributing their expertise to method validation. The *Official Methods of Analysis* is the most comprehensive and reliable collection of chemical and microbiological methods available in the world and are contained in many of the Codex food standards.
