COVID-19: AOAC continues successfully in a primarily virtual environment

Since April, AOAC has continued to operate remotely while the pandemic persists. Staff who need to be in the office occasionally communicate their presence to members, management and coworkers, thereby limiting the exposure of staff members to others during the time in the office.

NEW P/C CERTIFICATIONS

The following lists include new Research Institute Performance Tested Method certificates:

- budding Wilderness SARS-CoV-2 Environmental Assay
- Eurofins Genomic Technologies Veterinary SARS-CoV-2 Solution
- Patogeno Esophageal Assay
- Pfizer COVID-19 IgG Test
- Thermofisher Scientific SureTect SARS-CoV-2 PCR Workflow
- Thermofisher Scientific SureTect SARS-CoV-2 and C. difficile PCR Kit
- Thermofisher Scientific SureTect SARS-CoV-2 and C. difficile and PFC Workflow Assay
- Thermofisher Scientific SureTect SARS-CoV-2 Assay PCR Workflow Assay
- Thermofisher Scientific SureTect SARS-CoV-2 Assay with PCR Workflow Assay
- Thermofisher Scientific SureTect SARS-CoV-2 Assay with PCR and IVD Testing Workflow for SARS-CoV-2

AOAC IN ACTION

Events:

- Mat 13-15 – AOAC INTERNATIONAL Virtual Midyear Meeting
- April 9-12, 2021 – Southern Section of AOAC INTERNATIONAL 12th Annual Meeting
- Hilton Garden Inn - Buckhead, Atlanta, Georgia
- On demand through January 14, 2022 – AOAC/ CIST Emerging Response Validation for Total Yeast and Mold in Cereals Products
