AOAC INTERNATIONAL brings together government, industry, and academia to establish standard methods of analysis that ensure the safety and integrity of foods and other products that impact public health around the world. AOAC has 2,200+ individual and organizational members from more than 90 countries, with a variety of professional backgrounds and experience, including manufacturers, laboratories, government agencies, test developers, and more.

Members’ Continent of Origin
- 66% North America
- 12% Europe
- 12% Asia
- 4% South America
- 4% Oceania
- 2% Africa

12th AOAC Midyear Meeting
March 14-18, 2022
Gaithersburg Marriott Washingtonian Center
Gaithersburg, MD

136th AOAC Annual Meeting & Exposition
August 26 – September 1, 2022
Westin Kierland, Scottsdale, AZ

AOAC’s Meetings provide unparalleled professional development, networking, and collaboration opportunities for individuals across a wide range of interest areas:

**Businesses:** Meet scientific and regulatory experts and participate in trends and standards.

**Scientists:** Build professional expertise and network with your community to share information and best practices.

**Regulators:** Leverage unprecedented opportunity for stakeholder collaboration on complex testing and analysis challenges, helping improve compliance and public safety.

The AOAC Annual Meeting & Exposition attracts 60 exhibiting companies and 875+ attendees from 30+ countries, including the United States, Canada, Peoples Republic of China, Germany, Japan, United Kingdom, Netherlands, France, India, and New Zealand.

AOAC’s position at the confluence of all key stakeholder groups creates exceptional opportunities for official collaboration leading to analytical solutions essential to protecting public health. Purchasing an AOAC Engagement Package positions your organization as a solution provider and an ally to our stakeholders.
What will YOU get
